Why Journey?

- Four spacious floorplans
- Unmatched performance of the Maxum Chassis®
- Ultraleather™ cab seats and lounge furniture
- LED ceiling lights
- MCD solar/blackout roller shades
- Corian® countertops
- Extendable dining table with buffet
- TrueAir® Maximum Comfort A/C
- Expansive exterior storage
A Better Life Awaits You in Your Journey

If life is a journey, then why not travel in style? The Winnebago Journey® is the perfect blend of luxury and comfort with Corian® solid-surface countertops and backsplashes, coffee-glazed hardwood cabinetry, Ultraleather™ furniture, and top-of-the-line entertainment features. Not only will you enjoy world-class ride and handling with the Freightliner® Maxum Chassis®, you’ll get unbelievable storage – up to 246 cubic feet – thanks to its lowered-rail design. So get out and see the country in luxurious style that makes it all the more rewarding.

Recognized Quality The RV Dealers Association bestows its annual Quality Circle Award based on dealer ratings to the manufacturers that provide exceptional products, service and support. Only one manufacturer has received this honor for seventeen consecutive years: Winnebago Industries®.
Best in Class

See how Winnebago Industries takes motorhome design and function to the next level, and why we've earned the right to be called the Most Recognized Name in Motorhomes.

Choose a set of two plush Ottomans for extra storage and seating or to rest your legs while relaxing on your sofa (NA 36M).

Sit back and relax after a long day in the Ultraleather Euro Recliner with a built-in footrest. The hoop base lets you move it to your favorite spot when parked (40U, 42E).

The Rest Easy® Extendable Sectional Sofa glides from a sofa to a lounger to a bed at the touch of a button (40U, 42E).

Day or night, the smooth-retracting MCD Solar/Blackout Roller Shades give you total control over light and privacy levels.

Full-Extension Drawer Slides make it easy to open drawers wide and maximize their storage space.

Click on this icon throughout the brochure to link to more information on the web.
The Journey seamlessly blends premium luxuries with functional living spaces. As you enter the coach, a comfortable lounge, complete with Ultraleather furniture and a state-of-the-art Blu-Ray™ Home Theater System, welcomes you. From the superior design of the Contour windows, LED ceiling lights, and ceiling with crown molding, to the reliable TrueAir™ Maximum Comfort air conditioning system, the lounge is undeniably elegant and unquestionably comfortable.
Whether it’s an intimate dinner for two or a fun get-together with many, your beautiful galley will serve as the heart of your motorhome. Coveted amenities abound in this complete galley, featuring a microwave/convection oven, an available stainless steel French door refrigerator with an ice and water dispenser, tasteful Corian countertops, and extensive storage. With your choice of attractive cabinet finishes, including Coffee-Glazed Honey Cherry, Forest Cherry, or Vienna Maple, you can customize your galley to your personal style.
The dining table with a buffet and the elegant, extendable dining table set the stage for enjoyable evenings spent in the luxury of your motorhome. The tabletop easily expands to allow for additional guest seating. Additional dining options include a buffet in the 34B that ingeniously houses a retractable HDTV or the innovative Glide and Dine™ table that easily extends and glides to the left or right for maximum dining comfort and usability.
Restful nights await with the Ideal Rest® Natural Reserve digital comfort control mattress, which comes standard in the 42E and is available in other floorplans. This luxurious mattress offers fifty unique set points so you can customize firmness and support to fit your personal preference, from extra firm to feather soft. The powered bed featured in the 42E adjusts to your preferred position, so whether you are reading a book or watching the HDTV, you’ll be comfortably positioned. Each floorplan offers ample bedroom storage, so you can bring the necessities as well as the extras. A sizeable, private master bathroom with the roomy BIG Shower comes standard in the 42E.
With its signature smooth ride and handling, the cab delivers superior conveniences one would expect from a luxury diesel-pusher paired with a Maxum Chassis. The soft, Ultraleather cab seats are extremely comfortable, especially on long drives. The Infotainment Center with Rand McNally RV GPS has it all: 10.4” touch screen color monitor with split screen function, Rand McNally RV GPS safe and easy routing, amenities and tools, trips and content, turn-by-turn voice guidance, CD/DVD player, SiriusXM™ (subscription not included), compass, outside temperature, iPod®/iPhone® audio integration, Bluetooth™ and so much more.
From the color-coded service center to the powered patio awning, the Journey is designed with simplicity in mind. For those warm summer evenings, a 32” HDTV is available in the exterior entertainment center. With plenty of exterior storage space including the available sliding storage trays, you can pack plenty of gear and easily access them from either side of the coach.
Every Journey is built to Winnebago Industries'® legendary SuperStructure® construction standards. It’s a process developed and refined over more than 50 years of building some of the strongest, most durable coaches in the industry.
TESTING  
Before rolling out of our factories, every coach undergoes an extensive 113-point inspection. Each coach also passes a high-pressure water test that simulates rain at a rate of 50-inches per hour to check for leaks. During the design process, our computer simulations, physical testing center, and rigorous test track ensure each model is built to last.

DETAILS  
At Winnebago Industries, we treat the features you can’t see with the same care as the ones you can. Look in the access panels of some of our competitors’ coaches and you'll see loose insulation and wires haphazardly strewn about. Winnebago Industries maintains a clean fit and finish throughout so your coach will last for the long haul.

BUILT IN-HOUSE  
We extrude our own aluminum. We rotocast our own plastic components. In fact, we manufacture most of our own parts so they are designed to fit the space, rather than fitting the space to an awkward off-the-shelf component size.

TAKE A TOUR  
We’re proud of our processes, state-of-the-art facilities, and the people who make Winnebago Industries number one. We invite you to visit our complex in Forest City, Iowa, for a first-hand look at the dedication and technology behind every motorhome we build.

GoWinnebago.com
A True Work of Art

You may not be able to see the Freightliner® Maxum Chassis® as you’re driving through the Rockies or cruising the coast, but you’ll know it’s there. Its powerful Cummins® turbo-charged diesel engine and Allison® transmission go to work so you don’t have to sweat the peaks and valleys ahead.

Through a strong partnership with Freightliner, the undisputed leader in diesel motorhome chassis, we set a new standard for handling, ride and performance in diesel chassis design.

But performance doesn’t mean sacrificing storage. The innovative lowered-rail design of the Maxum Chassis opens up a cavernous basement storage compartment, offering up to 246 cubic feet of storage.

"Clean Air Diesel" Cummins® engine delivers hill-climbing power when you need it most:
- Cummins ISB 6.7L 340-hp (34B)
- Cummins ISB XT 6.7L 360-hp (36M)
- Cummins ISL 8.9L 380-hp (40U)
- Cummins ISL 8.9L 400-hp (42E)

Chassis

10,000-pound trailer hitch (34B, 36M, 40U)
15,000-pound trailer hitch (42E)

“Clean Air Diesel” Cummins® engine delivers hill-climbing power when you need it most:
- Cummins ISB 6.7L 340-hp (34B)
- Cummins ISB XT 6.7L 360-hp (36M)
- Cummins ISL 8.9L 380-hp (40U)
- Cummins ISL 8.9L 400-hp (42E)

A True Work of Art

3-point engine mounting reduces engine vibration.
Engine brake uses the engine to slow the coach, promoting longer brake life.
Allison® 3000 MH 6-speed automatic transmission includes a touchpad control for ease of use (Allison 2500 MH on 34B).
Rear axle incorporates proprietary gear machining for a smoother, quieter ride.
NeWay® rear air suspension provides superior ride and handling.
The lowered-rail design moves intrusive rails from storage areas, creating up to 246 cubic feet of storage.
Extra space in critical areas allows for more pass-through storage.
55° wheel cut provides a tighter turning radius and better maneuvering.
Color-coded air lines make service easy.

“Clean Air Diesel” Cummins® engine delivers hill-climbing power when you need it most:

34B
Attractive features such as a full-wall slideout, an Extendable Sectional Comfort Sofa Sleeper, and an extendable dining table with buffet are included in this elegant floorplan.

Dimensions shown are for sleeping space only and may vary due to styling differences. Dashed lines denote overhead storage areas. Floorplans and specifications are also available online at GoWinnebago.com.
36M

You’ll enjoy hosting family and friends in this luxurious full-wall slideout with two Ultraleather™ sofas, a pull-out island, and a Glide and Dine™ dining table with buffet.
40U
This popular quad-slideout offers a spacious lounge, complete with an Ultraleather Rest Easy® Extendable Sectional Sofa, a Euro recliner with a pull-out table, and an optional fireplace.
42E

An impressive 42 feet of luxury features the Ultraleather Rest Easy Extendable Sectional Sofa, an HDTV with an available fireplace, and a private master bath with the BIG Shower.

Out of This World

Grand National Rally

In 1969, two things happened: Neil Armstrong took mankind’s first steps on the moon, and Winnebago Industries’ WIT Club launched its first Grand National Rally in Forest City, Iowa. Every year since then, thousands of rally-goers connect with old friends to enjoy concerts, tours, activities, and more. Blast off for an adventurous week in July to celebrate 45 years of interstate land roving at the 2014 “Out of This World” Grand National Rally. It’s a mission you’ll never forget!
