Why Meridian?

• Four attractive floorplans
• Unmatched performance of Maxum Chassis®
• Ultraleather™ cab seats and lounge furniture
• LED ceiling lights
• MCD solar/blackout roller shades
• Corian® countertops
• Extendable dining table with buffet
• TrueAir® Maximum Comfort air conditioning
• Expansive exterior storage
What makes the Itasca Meridian® one of the most sought-after diesel-pushers? The answer begins with the uncompromising Freightliner® Maxum Chassis® with its innovative lowered-rail design providing up to 246 cubic feet of storage. The Meridian features an impressive list of amenities that includes Corian® solid-surface countertops and backsplashes, coffee-glazed hardwood cabinetry, Ultraleather™ furniture, and many more exciting features. Six striking, full-body paint options will make any motorhome enthusiast take notice, while the new Contour windows appeal to even the most discerning tastes. Open your eyes to a higher standard of motorhome living in the Itasca Meridian.
Best in Class

See how Winnebago takes motorhome design and function to the next level, and why we’ve earned the right to be called the Most Recognized Name in Motorhomes.

Choose a set of two plush Ottomans for extra storage and seating or to rest your legs while relaxing on your sofa (NA 36M).

Day or night, the smooth-retracting MCD Solar/Blackout Roller Shades give you total control over light and privacy levels.

The available +Lounger passenger seat with a built-in workstation reclines for comfort when you are parked.

The Rest Easy® Extendable Sectional Sofa glides from a sofa to a lounger to a bed at the touch of a button (40U, 42E).

Sit back and relax after a long day in the Ultraleather Euro Recliner with a built-in footrest. The hoop base lets you move it to your favorite spot when parked (40U, 42E).
Stunning, luxurious amenities and thoughtful seating arrangements seamlessly come together in the Meridian's lounge. A generous living area, complete with Ultraleather furniture and a state-of-the-art Blu-Ray™ Home Theater System, welcomes you as you enter the coach. From the LED ceiling lights and tray ceiling with crown molding, to the reliable TrueAir® maximum comfort air conditioning system and superior designed Contour windows, the lounge is undeniably sophisticated and equally comfortable.
From quiet dinners to lively entertaining, the Meridian’s polished galley is equipped to handle any event. Featuring a microwave/convection oven, an available stainless steel French door residential refrigerator with an ice and water dispenser, and extensive storage, this complete galley also has the preparation space you need. One of three beautiful cabinet finishes, including Coffee-Glazed Honey Cherry, Coffee-Glazed Forest Cherry, or Coffee-Glazed Vienna Maple, will make matching your galley to your style easy. With easy flow and functional space, your refined galley will serve as the heart of your Meridian.
The dining table with a buffet and the elegant, extendable dining table set the stage for enjoyable evenings spent in the luxury of your motorhome. The tabletop easily expands to allow for additional guest seating. Additional dining options include a buffet in the 34B that ingeniously houses a retractable HDTV or the innovative Glide and Dine™ dining table that easily extends and glides to the left or right for maximum dining comfort and usability.
A perfect night’s sleep is one adjustment away with the Ideal Rest® Natural Reserve digital comfort control mattress. The natural cotton and bamboo fibers, along with the duo-firmness Memory-Cell® insert, add to the comfort. The powered bed comes standard on the 42E and adjusts to your preferred position, so whether you're reading a book or watching the HDTV, you can be comfortable. A convenient on-suite bathroom with the spacious BIG Shower is included in the 42E floorplan. Each floorplan offers abundant bedroom storage, with space for plenty of clothes and other necessities.
Recognized for its signature smooth ride, the cab delivers the superior comforts one expects from a luxury diesel-pusher with the unmatched performance of a Maxum Chassis®. The soft, Ultraleather cab seats can make even the longest rides comfortable. A new Infotainment Center with a Rand McNally RV GPS has it all: touch screen color monitor with split screen function, safe and easy routing, amenities and tools, trips and content, turn-by-turn voice guidance, CD/DVD player, SiriusXM™ (subscription not included), compass, outside temperature, iPod®/iPhone® integration, Bluetooth®, and so much more.
With plenty of exterior storage space, there will be no need to compromise on what to bring on your travels. Available sliding storage trays allow you to easily access your gear from either side of the coach. From the color-coded service center to the powered patio awning, the Meridian was designed with functionality in mind. For those warm summer evenings, a 32” HDTV comes in the available exterior entertainment center.
Every coach—from our smallest Class C to our largest diesel-pusher model—is built to Winnebago’s® legendary SuperStructure® construction standards. It’s a process developed and refined over more than 50 years of building some of the strongest, most durable coaches in the industry.
**A True Work of Art**

You may not be able to see the Freightliner® Maxum Chassis® as you’re driving through the Rockies, but you’ll know it’s there. Its powerful Cummins® turbo-charged diesel engine and Allison® transmission go to work so you don’t have to sweat the peaks and valleys ahead.

Through a strong partnership with Freightliner, the undisputed leader in diesel motorhome chassis, we set a new standard for handling, ride and performance in diesel chassis design.

But performance doesn’t mean sacrificing storage. The innovative lowered-rail design of the Maxum Chassis opens up a cavernous basement storage compartment, offering up to 246 cubic feet of storage.

WinnebagoInd.com
Visit BetterBuiltRVs.com to gain real insight into what goes into a Winnebago Industries motorhome.

**TESTING** Before rolling out of our factories, every coach undergoes an extensive 113-point inspection. Each coach also passes a high-pressure water test that simulates rain at a rate of 50-inches per hour to check for leaks. During the design process, our computer simulations, physical testing center, and rigorous test track ensure each model is built to last.

**DETAILS** At Winnebago Industries, we treat the features you can’t see with the same care as the ones you can. Look in the access panels of some of our competitors’ coaches and you’ll see loose insulation and wires haphazardly strewn about. Winnebago Industries maintains a clean fit and finish throughout so your coach will last for the long haul.

**BUILT IN-HOUSE** We extrude our own aluminum. We rotocast our own plastic components. In fact, we manufacture most of our own parts so they are designed to fit the space, rather than fitting the space to an awkward off-the-shelf component size.

**TAKE A TOUR** We’re proud of our processes, state-of-the-art facilities, and the people who make Winnebago Industries number one. We invite you to visit our complex in Forest City, Iowa, for a first-hand look at the dedication and technology behind every motorhome we build.
Dimensions shown are for sleeping space only and may vary due to styling differences. Dashed lines denote overhead storage areas. Floorplans and specifications are also available online at Goltasca.com.

34B

The Extendable Sectional Comfort Sofa Sleeper, the extendable dining table with buffet, and the full-wall slideout create plenty of spacious living areas in this floorplan.
Dimensions shown are for sleeping space only and may vary due to styling differences. Dashed lines denote overhead storage areas. Floorplans and specifications are also available online at Gol tasca.com.

36M
You will feel right at home in the lounge with two Ultraleather sofas, in the elegant galley with a pull-out island, and in the bedroom with its walk-around queen bed.
40U
This impressive quad-slideout floorplan offers a spacious lounge, complete with an Ultraleather Rest Easy® Extendable Sectional Sofa, a Euro recliner with a pull-out table, and an optional fireplace.
Dimensions shown are for sleeping space only and may vary due to styling differences. Dashed lines denote overhead storage areas. Floorplans and specifications are also available online at GoItasca.com.

42E

This impressive 42’ floorplan offers an Ultraleather Rest Easy Extendable Sectional Sofa, an HDTV, an available fireplace, your choice of a queen or king bed, and a private master bath with the BIG Shower.

GRAND NATIONAL RALLY

In 1969, two things happened: Neil Armstrong took mankind’s first steps on the moon, and Winnebago Industries’ WIT Club launched its first Grand National Rally in Forest City, Iowa. Every year since then, thousands of rally-goers connect with old friends to enjoy concerts, tours, activities, and more. Blast off for an adventurous week in July to celebrate 45 years of interstate land roving at the 2014 “Out of This World” Grand National Rally. It’s a mission you’ll never forget!

Visit Goltasca.com on your computer, smartphone or tablet for the latest product information and updates.

COMMITTED TO SERVICE

We back our motorhomes with best-in-class support both before and after the sale:
- 12-month/15,000-mile basic limited warranty
- 36-month/36,000-mile limited warranty on structure
- 10-year limited parts-and-labor warranty on roof skin
- Complimentary 24-hour roadside assistance program

TripSaver® Fast Track Parts guarantees that in-stock warranty parts ship directly to your dealer within 24 hours
