Why Era?

- Incredible fuel economy
- Corian® countertop
- UltraLeather™ furniture
- LED ceiling lights
- Radio/Rearview Monitor System with 6” touch screen
- Powered patio awning with LED lights
- Double-door rear storage
- The most affordable Mercedes-Benz® Sprinter van camper among the leading brands in North America
The Best Era of Class B Motorhomes

The Era® never ceases to amaze. This year, we are proud to introduce the new 70C floorplan featuring a slideout and hydronic heating system for even more indoor enjoyment. The Era returns with its popular Mercedes-Benz® Sprinter chassis, Ultraleather™ swivel cab seats, an available Infotainment Center with Rand McNally RV GPS, MCD blackout roller shades, and upscale Corian® galley countertops. In addition to a full-featured RV experience, this coach comes with impressive fuel efficiency. For versatility and style in an agile ride, choose the Winnebago Touring Coach™ Era.

Recognized Quality

The Recreation Vehicle Dealer Association annually rates RV manufacturers and awards the Quality Circle Award to manufacturers that provide exceptional products, service, and support. Winnebago is proud to be the only manufacturer that has received this award every year since its inception.
Best in Class

A **Storage Compartment** provides extra space to store your belongings and keeps your items secure while traveling.

The **Rear Double Doors** open up to 270 degrees revealing a slideout storage tray (70A).

The **Flex Bed System** in the 70A flips up for easy access to the convenient **Exterior Storage Compartment**.

The 70A **Sofa/Bed** can quickly convert from a sofa to a bed, providing more sleeping space.

**Full-Extension Drawer Slides** make it easy to open drawers wide and maximize their storage space.

WinnebagoTouring.com
Designed for ease and practicality, the Era lounge embodies what the avid traveler desires: Ultraleather™ captain’s chairs that swivel to face the movable table and sofa/bed in view of the 22” HDTV (70A). With the new slideout and skylight in the 70C, the Era has never been more comfortable. Each floorplan includes space to entertain guests, play a lively game of cards, or relax with a late night movie. With LED ceiling lighting, MCD blackout roller shades, and a 13,500 BTU high-efficiency air conditioner with heat strip, you have complete control over your indoor environment.
Our SmartSpace™ design philosophy includes a host of conveniences without skimping on comfort. Cooking appliances are easily accessible, including an energy-efficient microwave oven and refrigerator, a faucet that folds down beneath a flip-up glass cover, and plenty of storage. An attractive Corian® countertop gives you food prep space along with European style cabinets to give your galley a polished look.
Comfortable, while still being efficient, the Era offers a variety of sleeping arrangements. The Flex Bed System allows you to convert twin beds into a queen bed with the 70A, while the 70X features a power sofa/bed that folds down into a spacious, comfortable bed at the press of a button. The new 70C comes with a sofa/sleeper and slideout for even more comfort. Each floorplan offers a closet for your traveling wardrobe.
Compared to a large, Class A motorhome, the pleasure in driving a Class B motorhome is that you can take it almost anywhere you can take a car. The Ultraleather cab seats make for a comfortable ride, while the available Infotainment Center with Rand McNally RV GPS offers safe and easy routing with turn-by-turn voice guidance. Additional features include a CD player, a touch screen control panel, iPod connection, and a Radio/Rearview Monitor System for safe maneuvering.
Day or night, the Era makes it easy to enjoy your outdoor living space with its side screen door and powered patio awning with LED lights. The rear double doors swing out to 270 degrees allowing full access to the rear storage compartment with shelves, hooks, and baskets (70C), or a slideout compartment tray for storing larger items (70A).
This functional floorplan offers swivel cab seats, Ultraleather™ furniture, a Corian® countertop, and the Flex Bed System which can be a queen bed or two twin beds.

1 The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.
2 Capacities are based on measurements prior to tank installation. Slight capacity variances may result due to installation applications.
3 Capacities shown are tank manufacturer's listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.
4 Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, GCWR, as well as adequate trailer brakes. Please refer to the Operator’s Manual of your vehicle for further towing information.
5 See separate chassis warranty.
6 See your dealer for complete warranty information.

Winnebago’s continuing program of product improvement requires specification, equipment, model availability, and prices subject to change without notice. Published content reflects the most current product information at time of printing. Please consult your dealer for individual vehicle features and specifications.
