Why Sunova?

- Four contemporary floorplans
- Swivel Ultraleather™ cab seats
- Corian® countertops
- MCD solar/blackout roller shades (in select areas)
- Available powered StudioLoft™ drop-down bed
- Standard electric fireplace (35G, 36Z)
- Choice of queen or king bed (30A queen only)
- Leveling jacks with 3-position controls
- Powered patio awning with LED lighting and metal wrap
Legendary Motorhome Value

The question for motorhome enthusiasts looking for a truly exceptional Class A coach is not “Should I buy a Sunova®?” But, rather, “Which Sunova should I choose?” With four distinct models, including the spacious 35G with inLounge™ extendable sectional sofa and movable inTable™, there’s a Sunova that’s perfect for you and your family. Popular features such as LED lighting, Corian® countertops, and MCD solar/blackout roller shades in select areas make it easy to call the Sunova home. Choose the available powered StudioLoft™ drop-down cab bed for even more travel flexibility. Add in Winnebago’s® legendary construction quality and your decision is even easier—it’s the Sunova.

Recognized Quality

The Recreation Vehicle Dealer Association annually rates RV manufacturers and awards the Quality Circle Award to manufacturers that provide exceptional products, service, and support. Winnebago is proud to be the only manufacturer that has received this award every year since its inception.
Best in Class
See how Winnebago takes motorhome design and function to the next level, and why we’ve earned the right to be called the Most Recognized Name in Motorhomes®.

Click on this icon throughout the brochure to link to more information on the web.

You can bring all your favorite belongings along with the Exterior Storage Compartments that utilize the Smart Storage™ and StoreMore® (33C) philosophies. Access your gear easily from the lighted, weatherproof bins.

Day or night, the smoothly-retracting MCD Solar/Blackout Roller Shades in select areas give you total control over light and privacy levels.

The innovative Glide and Dine™ table (33C) easily extends and glides to the left or right for maximum dining comfort and usability. The attached buffet boasts a retractable HDTV.

Sit back and relax after a long day in the available Ultraleather™ Euro Recliner with a built-in footrest. The hoop base lets you move it to your favorite spot when parked.
With four unique floorplans, the Sunova has something for everyone. From the Extendable U-Shaped Dinette Sectional (30A), to the available Rest Easy® sofa (33C), or the inLounge™ with a comforting electric fireplace (35G, 36Z), the lounge offers many popular features, fit for both an afternoon of quiet reading or lively entertaining. At the end of a long day, unwind in front of an HDTV that is connected to a DVD stereo system.
This full-featured galley makes meal and snack preparation easy with popular amenities such as a three-burner range top, a microwave/convection oven, and a large, four-door refrigerator/freezer with an icemaker (two-door on 30A and residential refrigerator on 36Z). The Corian® solid-surface countertops and matching sink covers offer plenty of preparation space, while the pantry (NA 35G) and full-extension drawer slides provide an abundance of additional storage space. There’s even a decorative galley backsplash for added style.
The Sunova offers a variety of dining configurations in each floorplan to suit your individual style including an Extendable U-Shaped Dinette (30A) or a BenchMark® dinette (36Z). The 33C features an extendable Glide and Dine™ dining table/buffet and chairs with a retractable HDTV, and the 35G comes complete with a movable inTable™ and extendable inLounge® to seat eight.
You'll enjoy the standard HDTV that's connected to the coach DVD system while lounging on the walk-around queen or available king bed (30A queen only). A chest of drawers in select models and spacious wardrobe with additional storage provide plenty of space for all of your traveling necessities.
Enjoy confidence on the road in the Sunova thanks to the easy-to-read controls, rearview color monitor system with 6” touchscreen, and the six-way power Ultraleather™ driver seat. Your co-pilot will appreciate the additional space provided by the dash workstation, and you’ll both enjoy hours of entertainment with the iPod®/MP3 input and available SiriusXM™ satellite radio (subscription not included). Both cab seats swivel to face the lounge area, creating a more comfortable living space.
Outdoor relaxation is just as enjoyable with the powered patio awning with LED lighting and the available exterior entertainment center with an HDTV. The StoreMore® slideout storage system featured on the 33C makes accessing your gear easy, while the single-paddle latches on the doors allow for easy, one-handed operation. A color-coded exterior service center and automatic hydraulic leveling jacks with three-position controls make hookups quick and convenient.
Every coach—from our smallest Class C to our largest diesel-pusher model—is built to
Winnebago’s® legendary SuperStructure® construction standards. It’s a process developed
and refined over more than 50 years of building some of the strongest, most durable coaches in the industry.
TESTING  
Before rolling out of our factories, every coach undergoes an extensive 113-point inspection. Each coach also passes a high-pressure water test that simulates rain at a rate of 50-inches per hour to check for leaks. During the design process, our computer simulations, physical testing center, and rigorous test track ensure each model is built to last.

DETAILS  
At Winnebago, we treat the features you can’t see with the same care as the ones you can. Look in the access panels of some of our competitors’ coaches and you’ll see loose insulation and wires haphazardly strewn about. Winnebago maintains a clean fit and finish throughout so your coach will last for the long haul.

BUILT IN-HOUSE  
We extrude our own aluminum. We rotocast our own plastic components. In fact, we manufacture most of our own parts so they are designed to fit the space, rather than fitting the space to an awkward off-the-shelf component size.

Visit BetterBuiltRVs.com to gain real insight into what goes into a Winnebago motorhome.

TAKE A TOUR  
We’re proud of our processes, state-of-the-art facilities, and the people who make Winnebago number one. We invite you to visit our complex in Forest City, Iowa, for a firsthand look at the dedication and technology behind every motorhome we build.

Call 641-585-6936 or 1-800-643-4892 or visit us online at Winnebagolnd.com/company/visit for more information.
30A
This dual-slideout floorplan offers comfortable living spaces with the Extendable U-Shaped Dinette Sectional, mid-coach HDTV, available Euro recliner, and queen bed with wardrobe and chest of drawers.
33C

Popular features abound in this triple-slideout floorplan, including an available Euro recliner, available Rest Easy® sofa, a Glide and Dine table/buffet with a retractable HDTV, and an available king bed.
35G

Functional amenities in this spacious, triple-slideout floorplan include an inLounge™ extendable sofa/sleeper with movable inTable™, an electric fireplace, mid-coach HDTV, and an available king bed.
36Z

Living space is maximized in this triple-slideout floorplan with swivel Ultraleather cab seats, an L-shaped galley, and an entertainment center with an electric fireplace and retractable TV.

Dimensions shown are for sleeping space only and may vary due to styling differences. Dashed lines denote overhead storage areas. Floorplans and specifications are also available online at GoItasca.com.
