**Navion**

**Why Navion?**

- Mercedes-Benz® Sprinter chassis
- Primera® swivel cab seats
- Available cabover bunk
- Radio/Rearview monitoring system
- Available Mobileye® Collision Avoidance System
- Norcold® double-door refrigerator/freezer
- Powered patio awning w/LED lighting
- MCD solar/blackout roller shades
- Flex Bed system (24V)
- Available dual-pane Euro windows with screen and insulated shade
Class ‘C’ Doesn’t Stand for Compromise

If you want comfort and style in a go-anywhere motorhome that is built to last, the Navion® stands alone. Combining the heralded Mercedes-Benz Sprinter chassis with Winnebago's® legendary SuperStructure® construction, you get a coach that is fuel-efficient, powerful, and built to the highest standards. Three distinct floorplans give you choices on dining and sleeping configurations to fit your traveling needs, including a spacious U-shaped dinette in the 24J, the queen bed in the 24G, or the Flex Bed system in the 24V that can convert from a queen bed into separate twin beds. Thoughtful touches such as swivel cab seats with boosters and LED lighting show you that every detail was carefully considered. Make your way to the head of the class in your new Navion.
The Navion has a floorplan to fit your family. Select the 24V or 24G (optional) for a Fold N Tumble sofa with a movable table that allows for a new, larger standard dinette, or the 24J with a large U-shaped dinette with footrests. No matter which floorplan you select, your evening entertainment is covered with an HDTV and stereo system with CD/DVD player. LED lighting, MCD solar/blackout roller shades and a skylight with shade all work together to give you full control of your light and privacy levels.
The galley is thoroughly planned to be functional and stylish while conserving space in a 24-foot floorplan. Meal prep is made easy with a two-burner range top and a microwave/convection oven that cooks and browns like an oven in a fraction of the time. Stock up on fresh ingredients or store leftovers in the Norcold® double-door refrigerator/freezer. The Interior Upgrade Package completes the look with a frosted backsplash, accent lighting and sink covers.
Would you prefer a queen bed or two twin beds? With the Flex Bed System in the 24V, you get both. It quickly converts from twin beds to a queen bed and back to fit your traveling demands. For a standalone queen bed, select corner model (24J) or a walk-around bed with a slide out (24G). The bed you choose can be enhanced with the available Froli® deluxe sleep system that provides additional support for the perfect night’s sleep. An HDTV is also available to help ease you to sleep.
Since its introduction, the Navion showed the true potential of the Mercedes-Benz Sprinter chassis. Today the Sprinter chassis boasts a 188-hp turbo-diesel engine with a 5-speed automatic tip-shift transmission. Fully adjustable cab seats keep you comfortable on your journeys while a 6" touch panel gives you command of the cab stereo and backup camera. Upgrade to the Rand McNally RV GPS for a CD/DVD player, touchscreen, and turn-by-turn directions. For more peace of mind, upgrade to the available Mobileye Collision Avoidance System.
You won’t find a more beautiful Class C motor home than the Navion with available full-body paint, stylized aluminum wheels, or available chrome wheels. The powered patio awning with LED lighting even comes with a protective metal wrap (requires full-body paint) to match the paint scheme. Cycling enthusiasts will appreciate the available rear-mounted bike rack while everyone can benefit from the plentiful exterior storage.
Every coach—from our smallest Class C to our largest diesel-pusher model—is built to Winnebago’s® legendary SuperStructure® construction design. It’s a process developed and refined over more than 50 years of building some of the strongest, most durable coaches in the industry.
TESTING  Before rolling out of our factories, every coach undergoes an extensive 113-point inspection. Each coach also passes a high-pressure water test that simulates rain at a rate of 50-inches per hour to check for leaks. During the design process, our computer simulations, physical testing center, and rigorous test track ensure each model is built to last.

DETAILS  At Winnebago, we treat the features you can’t see with the same care as the ones you can. Look in the access panels of some of our competitors’ coaches and you’ll see loose insulation and wires haphazardly strewn about. Winnebago maintains a clean fit and finish throughout so your coach will last for the long haul.

BUILT IN-HOUSE  We process and finish key aluminum parts. We rotocast our own plastic components. In fact, we manufacture most of our own parts so they are designed to fit the space, rather than fitting the space to an awkward off-the-shelf component size.

Visit BetterBuiltRVs.com to gain real insight into what goes into a Winnebago motorhome.

TAKE A TOUR  We’re proud of our processes, state-of-the-art facilities, and the people who make Winnebago number one. We invite you to visit our complex in Forest City, Iowa, for a firsthand look at the dedication and technology behind every motorhome we build.

Call (641) 585-6936 or (800) 643-4892 or visit us online at WinnebagoInd.com/company/visit for more information.
**NEW 24G**

Enjoy this fresh floorplan with more lounge space, larger sofa with an available queen pull-out bed, and bigger dinette.
24J

Dine with ease or relax and watch the 28” HDTV from the comfort of the U-shaped dinette with footrests. Add a third sleeping area by choosing the cab bunk.
**24V**

Our most versatile Navion floorplan includes the Flex Bed system, your choice of a Fold N Tumble sofa or L-shaped sectional, and an available cab bunk.
Choose from four collections and two wood finishes.

### Galley
- Laminated countertops
- Microwave/convection oven w.touch control
- 2-burner range top w/glass cover
- Norcold® double-door refrigerator/freezer
- Cold water filtration system
- Water-pump switch w/ light

### Bath
- Retractable, self-cleaning shower screen
- Flexible showerhead
- Skylight
- Porcelain toilet w/foot pedal and sprayer (24J, 24V)
- Porcelain toilet w/ electric flush (24G)
- Powered roof vent
- Towel ring(s)
- Towel bar(s)
- Tissue holder
- Robe hook(s) (24J)
- Medicine cabinet (24G)

### Mercedes-Benz® Sprinter Chassis
- 3.0L 6-cylinder, 188-hp, turbo-diesel engine, 5-speed automatic tip-shift transmission, 220-amp. alternator
- Adaptive ESP® technology
- Hydraulic brakes w/ABS
- Trailer hitch (5,000-lb. drawbar/500-lb. maximum vertical tongue w/7-pin connector)
- Stainless steel wheel liners (24J, 24V)
- Alcoa forged aluminum wheels (24G)

### Cab Conveniences
- Radio/Rearview Monitor System 6” touch screen color monitor, handheld remote, iPod*/MP3 input, color rear camera
- Cab seats armrest, adjustable lumbar support, headrest, recline, swivel and slide
- Airbags driver and passenger
- 3-point seat belts
- Power door locks w/remote
- Power windows
- Power mirrors w/defrost and turn signals
- Cruise control
- Chassis/house battery radio power switch
- Power steering w/tilt wheel
- Sunvisors
- 12-volt powerpoints
- Pleated windshield blinds
- Privacy curtain (cab windows)
- Dash appliqué package

### OPTIONAL EQUIPMENT
- Large Screen Infotainment Center with Rand McNally RV GPS 6” touch screen color monitor w/split screen function, Rand McNally RV GPS safe & easy routing, amenities & tools, trips & content, turn-by-turn voice guidance, AM/FM radio w/CD/DVD player, handheld remote, SiriusXM™ (subscription not included), iPod/iPhone® audio integration, Bluetooth®, color rearview camera, USB connection
- 2 cab seat lounge cushions
- Sliding, pleated windshield blinds
- Mobileye® Collision Avoidance System
- JBL premium audio tuned 180-watt DSP amplifier with 5 speakers including subwoofer
- 28” HDTV
- LED lights
- Satellite system ready
- Monitor panel
- Amplified digital HDTV antenna
- Roof vent w/electric lift and ventilator fan (NA w/available powered skylight)

# Exterior
- Automatic entrance door step(s)
- LED porch light w/interior switch
- Stepwell light w/interior switch
- Front and rear mud flaps
- Premium high-gloss skin
- Powered patio awning w/LED lights (full-body paint option includes metal wrap)
- Lighted storage compartments
- Exterior speakers

### Optional Equipment
- Bike rack

## Heating & Cooling
- 15,000 BTU air conditioner
- 20,000 BTU low-profile furnace

### Optional Equipment
- 15,000 BTU air conditioner w/heat pump

## Electrical System
- Service Center light, cable TV input, 30-amp. power cord, portable satellite dish hookup, QuickPort® service connection hatch
- Auxiliary start circuit
- Exterior AC duplex
- Exterior antenna jack
- Battery disconnect system (coach)
- Automatic dual-battery charge control
- AC/DC load center, 45-amp. converter/charger
- 2 deep-cycle, Group 24 RV batteries
- 3,600-watt Cummins® Onan MicroQuiet™ LP generator
- 1,000-watt DC/AC inverter

### Optional Equipment
- 3,200-watt Cummins Onan diesel generator
- Solar panel/battery charger

## Plumbing System
- **Service Center**
  - Color-coded labels, pressurized city water hookup/tank diverter valve, drainage valves, exterior wash station w/lighted pump switch
- 10’ sewer hose
- TrueLevel™ holding tank monitoring system
- 6-gallon 110-volt/LP water heater w/Energy Management System (NA 24G)
- Tankless water heater (24G)
- Permanent-mount LP Tank w/remote fill w/power switches
- Winterization Package water heater bypass valve and siphon tube
- On-demand water pump
- Lockable water tank fill
- Sewage pump macerator (24G, 24V)
- Holding tank flushing system

### Optional Equipment
- Heated drainage system
- Tankless water heater (24J, 24V)

## Safety
- LP, smoke, and carbon monoxide detectors
- 10 BC fire extinguisher
- Ground fault interrupter
- Child seat tether anchor (24J)
- High-mount brake lamps
- Daytime running lamps

## Warranty
- **12-month/15,000-mile basic limited warranty**
- **36-month/36,000-mile limited warranty on structure**
- **10-year limited parts-and-labor warranty on roof skin**

### Footnotes:
1. The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.
2. The load capacity of your motorhome is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motorhome.
3. Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.
4. Capacities shown are tank manufacturer’s listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.
5. Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and GCWR, as well as adequate trailer brakes. Please refer to the Operator’s Manual of your vehicle for further towing information.
6. See separate chassis warranty.
7. See your dealer for complete warranty information.

Winnebago® continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Published content reflects the most current product information at time of printing. Please consult your dealer for individual vehicle features and specifications.
