Travato

Why Travato?

- Deluxe FROLI® sleep system
- Available bike and roof racks
- Optional 100-watt solar panel battery charger
- Easy-to-swivel cab seats
- Highly efficient Truma Combi™ Eco Plus heating system with 1,700-watt electric heating element
- Electric heated drainage system
- Available aluminum cab steps
- Exterior speaker system
- Advanced compressor driven refrigerator (59K)
On the Fast Track to Adventure

Adventure seekers love the great outdoors. They also love getting there in the fuel-efficient Travato® and staying as long as they like. That’s because two smart floorplans offering exceptional flexibility and high-end features like Corian® countertops, Ultraleather™ furniture, and LED lighting make for a perfect home base.

Mount your gear on the optional bike and roof racks and hit the road. When the sun goes down, enjoy a hot shower thanks to the new Truma Combi™ ECO Plus heating system. Then kick back on the FROLI® deluxe sleep system. Tomorrow: repeat. Let the freedom of Travato empower all your adventures.
Every inch of the Travato is utilized for your benefit. Starting with the lounge, the comfortable cab seats swivel to become lounge chairs. They even incorporate pull-out tables for quick meals in the 59K. The 59G adds a pair of bench seats and a dinette for your companions that come together to form a generous sleeping area when the lights go down. Speaking of lights, you can set the ambiance with new bright and dim settings on the recessed LED ceiling lights. You’ll also breathe easy thanks to the MaxxAir fan that comes with an incorporated rain cover for proper ventilation during any weather.
Whether you’re carb loading for a day of biking or preparing an elegant meal, the galley offers all the essentials with style and efficiency. This includes a two-burner range, microwave (59G) or microwave/convection oven (59K) and a Corian countertop. A sliding bamboo cutting board (59K) provides a quick solution during meal prep while the refrigerator/freezer comes with a removable freezer compartment (59G) for more flexible cold storage.
Choose a large corner bed (59G) or go with a more versatile Flex Bed System that can function as a large double bed or two separate twin beds (59K). By day, the twin beds convert to comfortable bench seating with a center dining table for entertaining up to six people. Whichever floorplan you choose, you’ll get a better night’s sleep thanks to the FROLI® deluxe sleep system with a spring mat that provides extra cushioning and improves airflow to keep you cool and comfortable all night long.
Travato Bath

59K Bathroom Storage

59K Fold-Down Sink
You get the most out of life and the Travato is purpose-built to get the most out of the Ram ProMaster® chassis with a rigid ladder frame and independent front wheel suspension that delivers car-like performance, even in crosswinds. Unlike a car, however, you get a larger windshield and door windows for unprecedented visibility. That visibility is further improved with large side mirrors that fold in at the press of a button for parking in tight spaces.
The Travato is built for adventure and it looks the part with available aluminum cab steps, bike rack, and roof rack. When you find your corner of the world, pop open the double wide rear doors with available screen doors that let the cool breeze flow while keeping the bugs at bay. A 2,800-watt Cummins® Onan generator provides mobile power so you can continue to charge your favorite electronics wherever you are.
59G

This floorplan offers exceptional flexibility with the Flex Bed System near the cab and a large corner bed that flips up to make room for bikes or other large items.

Dimensions shown are for sleeping space only and may vary due to styling differences. Dashed lines denote overhead storage areas.
59K
This open floorplan boasts a twin bed configuration with a spacious rear bath/shower area and swivel cab seats that expand your living space.

Dimensions shown are for sleeping space only and may vary due to styling differences. Dashed lines denote overhead storage areas. Floorplans and specifications are also available online at WinnebagoInd.com.

Warranty
12-month/15,000-mile basic warranty*1
1. The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.
2. Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.
3. Capacities shown are tank manufacturer’s listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.
4. Actual towing capacity is dependent upon your particular loading and towing circumstances, which includes the GVWR, GAWR and GCWR, as well as adequate trailer brakes. Please refer to the Operator’s Manual of your vehicle for further towing information.
5. See separate chassis warranty.
6. See your dealer for complete warranty information.

*Not Available
Not all items available in combination. See dealer for details.
Winnebago’s® continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice.
Published content reflects the most current product information at time of printing. Please consult your dealer for individual vehicle features and specifications.
Join the Club, Join the Fun

Here’s the perfect way to begin your life on the road as the owner of a new Winnebago – by joining the exclusive WIT Club. Start your adventure with other fun-loving WIT Club members from across the country and get the most out of your new Winnebago motorhome.

Members enjoy:
- Caravans and rallies
- Newsletters
- Local and state group activities
- RV travel benefits
