MINNIE WINNIE

Family-friendly fun to go
Choose your adventure, but first, choose your floorplan. The Winnebago® Minnie Winnie® gives you seven floorplan options, including the new 22M, which includes a U-shaped dinette that converts to a comfortable bed. Each floorplan features a private rear bedroom and cabover bunk for added sleeping flexibility, plus a large rear trunk for your gear. Make it your own with three new interior décor options and stylish exteriors. Add in a long list of standard features, a variety of available upgrade packages, and Winnebago’s legendary build quality, and you’ll see why the Minnie Winnie is an outstanding value for families of all sizes.
The Minnie Winnie is designed for relaxed and comfortable living with four interior décor collections that include Primera® by Ultrafabrics seat covers for added comfort and durability. The U-shaped dinette (22M, 22R, 26A, 31K) is perfect for game nights, while standard dinette models (25B, 31D, 31G) feature a nearby sofa bed for relaxing once mealtime is over. Available swivel cab seats (26A, 31D, 31K) provide additional seating flexibility, ideal when you’re taking in a movie on the HDTV with a DVD player.
Cooking in the Minnie Winnie is a delight, thanks to the 3-burner range with a recessed oven and glass cover (NA 22R), microwave, 2-door refrigerator/freezer, and double-bowl sink (NA 22R). Serious chefs might consider optional upgrades like a microwave/convection oven (26A, 31D, 31G, 31K), 4-door refrigerator/freezer with an icemaker (31K), and a large double-door refrigerator/freezer (26A, 31D, 31G, 31K). Or take it further upscale with the Premium Package (26A, 31D, 31G, 31K), which includes a Corian® countertop, stainless steel undermount sink, and Corian sink covers.
A good night’s sleep makes every trip better, and the Minnie Winnie maximizes sleep comfort with a multi-layer, foam double (22R, 25B) or queen bed in the rear bedroom. Every floorplan also features an overhead bed above the cab, plus a dinette and/or sofa bed that quickly converts to a cozy bed. On the 31G, bunk beds add to the sleeping capacity and fun. Before calling it a night, freshen up in the Minnie Winnie’s roomy shower with a flexible shower head.
The Minnie Winnie cab is designed to put you in complete command. Multi-adjustable cab seats with armrests and lumbar support let you dial in comfort, while the power steering with tilt and cruise control ease driving duties. Backing up is a breeze with the available exterior mirrors with defrost and the Radio/Rearview Monitoring System. Expand your relaxation by upgrading to the swivel cab seats (26A, 31D, 31K) that can pivot to face the lounge once you are parked at your favorite campgrounds.
Two standard and one deluxe graphics packages help the Minnie Winnie’s premium high-gloss fiberglass exterior shine on the road and in camp. Standard equipment includes a 4,000-watt Cummins Onan® generator, patio awning, porch light, running boards, and a large lighted trunk storage compartment. Take the fun outside with a powered patio awning with LED lighting. On the 31D, an Exterior Entertainment Center with an HDTV, DVD player, AM/FM radio, and speakers is available.
Interlocking Joints  Specially engineered interlocking joints connect the floor, sidewalls, and roof where competitors often rely on simple screws to bear the weight.

Laser-Cut Tubing  Precision laser cutters create precise joints in structural steel that are stronger and require less welding.

Solid Framework  Structural extruded aluminum creates an extremely strong and solid frame.

Fiberglass Roof  The one-piece fiberglass roof is backed by a 10-year limited parts-and-labor roof skin warranty.

Thermo-Panel® Sidewalls  By layering fiberglass and high-density block foam insulation with welded aluminum support structures, we create some of the industry’s strongest, most durable, and lightweight sidewalls.

Embedded Steel  Metal substructures embedded into the sidewall provide solid attachment points to keep cabinets and appliances mounted securely in place.

E-coating  An electrodeposition coating helps protect critical steel components.

From our smallest Class C coach to our largest diesel-pusher, coaches are built to Winnebago’s legendary SuperStructure® construction design. It’s a process developed and refined over more than 50 years of building some of the strongest, most durable coaches in the industry.
**TESTING**
Before rolling out of our factories, every coach undergoes an extensive 113-point inspection. Each coach also passes a high-pressure water test that simulates rain at a rate of 50-inches per hour to check for leaks. During the design process, our computer simulations, physical testing center, and rigorous test track ensure each model is built to last.

**DETAILS**
At Winnebago, we treat the features you can’t see with the same care as the ones you can. Look in the access panels of some of our competitors’ coaches and you’ll see loose insulation and wires haphazardly strewn about. Winnebago maintains a clean fit and finish throughout so your coach will last for the long haul.

**BUILT IN-HOUSE**
We process and finish key aluminum parts. We rotocast our own plastic components. In fact, we manufacture most of our own parts so they are designed to fit the space, rather than fitting the space to an awkward off-the-shelf component size.

**SUPER STRUCTURE**

**BUILT TO LAST**

The slideout provides added room to the rear master suite, while the U-shaped dinette quickly converts to a comfortable bed for added sleeping capacity.
Minnie Winnie

22R

Floorplans

Located opposite the galley, the U-shaped dinette highlights this floorplan, and brings extra coziness to family dinners and game nights.

Length 23'10"
Ext. Storage (cu. ft.) 60.4
Seating 5

Dimensions shown are for sleeping and shower space only and may vary due to styling differences. Dashed lines denote overhead storage areas. Floorplans and specifications are also available online at Winnebagolnd.com.
Several people can enjoy all the comforts of home in a floorplan that lives much bigger than its compact size, thanks to the sofa/bed and overhead bed.
The spacious, functional living area is matched by the large private master bedroom with walk-around queen bed, thanks to three slideouts and the versatile U-shaped dinette with footrests.

**Dimensions shown are for sleeping and shower space only and may vary due to styling differences. Dashed lines denote overhead storage areas. Floorplans and specifications are also available online at Winnebagolnd.com.**
Opposing slideouts create a large living area with lots of seating options, while the mid-coach bath provides added privacy for the spacious rear master bedroom.

**Dimensions shown are for sleeping and shower space only and may vary due to styling differences. Dashed lines denote overhead storage areas. Floorplans and specifications are also available online at Winnebagolnd.com.**

The Holcombes

Peter, Kathy, and Abby have been full-time RVing since 2014. Using photos and videos shot by Peter, a professional photographer, the family has documented their many adventures around the continent including hiking, paddling, climbing, canyoneering, fishing, and more. All from the comfort of their Winnebago.

You can follow their journey at WinnebagoLife.com. You’ll also find hundreds of other great stories from GoLife’s outstanding contributors, along with how-to articles, gear reviews, RVing tips, and much more.

#### Optional Equipment
- **Microwave/convection oven** w/touch control (26A, 31D, 31G, 31K)
- **4-door refrigerator/freezer** w/ icemaker (31K)
- **Large double-door refrigerator/freezer** w/ woodgrain paneling (26A, 31D, 31G, 31K)

#### Bath
- **Shower** 23” x 34” (22M, 22R, 25B)
- **Shower** 26” x 30” (26A, 31K)
- **Shower** 26” x 38” (31D)
- **Shower door** (31G)
- **Flexible showerhead**
- **Towel ring(s)**
- **Powered roof vent**
- **Toilet** w/ foot pedal
- **Tissue holder**
- **Robe hook(s)**
- **Towel bar(s)** (31D, 31G)

#### Bedroom
- **Double bed** w/ 2” foam mattress topper and mattress cover (22R, 25B)
- **Queen bed** w/ foam mattress and mattress cover (22M, 26A)
- **Queen bed** w/ foam mattress and bed spread (22M, 31D, 31G, 31K)
- **Headboard** (NA 26A)
- **Bunk beds** w/ covered foam mattresses, mattress covers, storage compartment, and privacy curtains (31G)

#### Optional Equipment
- **24” HDTV**
- **Bunk bed 24” HDTV** (31G)

#### Exterior
- **Premium high-gloss fiberglass skin**
- **Porch light** w/ interior switch

#### Optional Equipment
- **Running boards**
- **Large lighted trunk storage compartment**
- **Patio awning**

#### Optional Equipment
- **Power awning** w/ LED lighting
- **Molded front cap** (NA 25B w/ E350 Chassis)
- **Entertainment center** w/ HDTV, DVD player, AM/FM radio, speakers (31D)

#### Heating & Cooling
- **20,000 BTU furnace** (22M, 22R, 25B)
- **30,000 BTU furnace** (26A, 31D, 31G, 31K)
- **Coleman®-Mach® 15 A/C**

#### Electrical System
- **AC/DC load center**, 55-amp. converter/charger
- **30-amp. power cord**
- **TV jack and AC receptacle** near entrance door
- **Deep-cycle, Group 24 battery**
- **Coach battery disconnect system**
- **Automatic dual-battery charge control**
- **4,000-watt Cummins Onan® Microquiet® generator**
- **Auxiliary start circuit**

#### Optional Equipment
- **AC/DC, 1,000-watt inverter** w/ remote panel

#### Plumbing System
- **Pressurized city water hookup** w/ tank fill
- **On-demand water pump**
- **6-gallon LP water heater** w/ electronic ignition
- **Permanent-mount LP tank** w/ gauge

#### Optional Equipment
- **Heated drainage system**

#### Safety
- **LP, smoke, and carbon monoxide detectors**
- **10 BC fire extinguisher**
- **Ground fault interrupter**
- **Child seat tether anchor**

#### Warranty
- **12-month/15,000-mile basic limited warranty**
- **36-month/36,000-mile limited warranty on structure**
- **10-year limited parts-and-labor warranty on roof skin**

**Footnotes**

1. The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please check with your dealer for further information.

2. Floorplans feature a wide-body design - over 96” in making your purchase decision, you should be aware that some states restrict access on some or all state roads to 96” in body width. Before making your purchase decision, you should confirm the road usage laws in the states of interest to you.

3. The load capacity of your motorhome is designated by weight, not by volume. So you cannot necessarily use all available space when loading your motorhome.

4. Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.

5. Capacities shown are tank manufacturer’s listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.

6. Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and GCWR as well as adequate trailer brakes. Please refer to the Operator’s Manual of your vehicle for further towing information.

7. See separate chassis warranty.

8. See your dealer for complete warranty information.

9. Not Available

10. Not all items available in combination. See dealer for details.

11. WinnebagO® continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Published content reflects the most current product information at time of printing. Please consult your dealer for individual vehicle features and specifications.
