

Pavement ends.
Adventure begins.

Ready to go virtually anywhere, the Winnebago® Revel® combines on-road comfort with the off-road capabilities of a true 4x4 adventure vehicle. The class-leading Revel has been thoughtfully engineered and packed with innovative features to provide all the comforts of home no matter where – or when – you roam. Built on the latest Sprinter chassis, the Revel features a 3.0L, 288-hp six-cylinder diesel engine, along with a full complement of Mercedes-Benz® safety features. In camp, the Revel makes the most of every cubic inch

with an astonishing 140-cu. ft. gear garage with Power Lift Bed, Ram® Tough-Track™ mounts, insulated and heated 21-gallon fresh- and gray-water tanks, a propane-free, compressor-driven refrigerator/freezer, and single-burner induction range. With its diesel-fired heating system, extensive insulation and available Coleman® Mach 10 NDQ A/C unit, the Revel provides a comfortable retreat in any season, while the standard solar charging panels and 2,000-watt AC/DC inverter help keep the juice flowing while you're off the grid.

1. The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.
2. Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.
3. Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and GCWR, as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.

Not all items available in combination. See dealer for details.

Winnebago's[®] continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Published content reflects the most current product information at time of printing. Please consult your dealer for individual vehicle features and specifications.
