2011 Tour
If you are a motor home enthusiast looking for a high-end Class A diesel coach, the 2011 Winnebago Tour® is the one for you. For 2011, this flagship diesel pusher features a striking new exterior design and an equally stunning interior with a new dash design, stylish furniture and the introduction of the all-new tag axle 42QD floorplan. Featuring the Maxum® chassis with a 400° horsepower Cummins® ISL engine, each Tour floorplan offers upscale amenities, innovative user-friendly features and maximum comfort. The new 42QD is joined by another tag axle model, the 42AD, and two floorplans with full-wall slideouts that are spacious beyond comparison. The 2011 Winnebago Tour isn’t just a motor home, it’s a lifestyle. Make it yours.
One Word: Wow

How spacious is the 2011 Tour? So spacious we were able to include our exclusive extendable sectional sofa in the 40BD, 42QD and 42AD. It’s perfectly positioned for watching the 40” LCD TV and experiencing dynamic surround sound from the home theater sound system. The King-Dome® in-motion satellite system is available for additional channels on the road while the HD video selection system lets you choose which TV you want to watch. For even more programming flexibility, choose the “Your HD” compatible satellite receiver (requires the available King-Dome in-motion or automatic satellite system) and you’ll have the ability to turn your DISH Network® service on and off as you desire—an RVer’s dream come true.

Don’t overlook the stylish interior with residential highlights such as ceramic tile flooring and striking coffee-glazed wood cabinetry. The available electric fireplace in the 40BD, 42QD and 42AD add to the welcoming ambiance. MCD American Duo® roller shades with blackout and solar screens give you total control over light and privacy levels. You’ll enjoy maximum interior climate control on warm days thanks to the three powerful cooling units that comprise the TrueAir® Maximum Comfort air conditioning system.

Recognized Quality The Recreation Vehicle Dealer Association bestows its annual Quality Circle Award to the manufacturers that provide exceptional products, service and support. Only one manufacturer has received this honor for fifteen consecutive years: Winnebago Industries®

Visit us for the latest updates and expanded key feature content at: GoWinnebago.com
The Gold Standard

The Tour galley is a true gem with Corian® solid-surface countertops, full-extension drawer slides for more spacious storage and upscale residential appliances such as the microwave/convection oven or the available microwave/speedcook oven. Corian sink covers, a matching backsplash and a glass top over the recessed range make clean-up easy while expanding your prep space. Add the central vacuum system for even more convenient cleaning power. The Aqua-Hot® dual zone hydronic heating system delivers a continuous flow of hot water, in addition to providing state-of-the-art zone heating throughout the coach. Enjoy your meals at the dining table/buffet or the BenchMark® dinette (available 40BD). The dining table/buffet has a Corian solid-surface top, additional storage and expands for seating guests.

**Refrigerator** This elegant residential stainless steel refrigerator with french doors and a freezer drawer is available in all models.

**Dishwasher** The available drawer-style dishwasher is perfectly sized to accommodate larger plates.

**Pull-Out Island** The pull-out island in the 42QD adds counter space and houses plenty of additional storage.
**Relaxing**

The perfect bedroom starts with the perfect bed. In the Tour 40CD, 42QD and 42AD, that means a powered king bed that lets you elevate your head for reading or watching TV and the Ideal Rest® Digital Comfort Control mattress with dual firmness controls (powered queen bed with Ideal Rest available 40BD). From the bed, you are surrounded by amenities, including an LCD TV and a ceiling fan. The bedroom stereo system includes a CD/DVD player, iPod/MP3 input, headphone jack and built-in alarm clock. The 40CD and 42QD take the master bedroom concept even further by including a private master bathroom in the rear of the coach complementing the half-bath mid-coach.

**Storage** A large wardrobe and a chest of drawers let you fully pack for all of your adventures.

**Master Bath** The 40CD and 42QD offer the privacy of a master bath in addition to a half-bath mid-coach.

**Washer/Dryer** Laundry is never a hassle when you select the available washer and dryer.
Settle In

The Tour lives up to its name as the perfect touring coach. It starts with the comfort of UltraLeather™ power cab seats with available heating elements. The passenger seat includes a footrest and can be upgraded to an oversized seat. And, no matter who is driving, the tilt/telescoping SmartWheel™ adjusts to the perfect position.

But the star of the show is the RV Radio® with a 6.5” LCD touch screen that also acts as the monitor for the rear camera and sideview cameras. The RV Radio includes a CD player, weather band and iPod/MP3 input. You can also add Sirius® satellite radio, which includes a receiver, docking port, iPod interface connector and a complimentary six-month subscription.
**Built for the Long Haul**

The Maxum chassis has up to 220 cubic feet of exterior storage that lets you bring along more of your gear than you ever thought possible. Thanks to innovative storage solutions such as movable panels and an available sliding tray, storing and accessing your gear is a breeze. The sliding tray option comes with a 6’ table with folding legs that is perfect for picnics and tailgate parties.

When you arrive at your destination, hookups are quick and easy with connection points located in a centralized service center. The QuickPort® service connection hatch allows the bay door to close even with hoses connected. The 3-Position Controls for the HWH® hydraulic leveling jacks provide control from the service center, entrance door and cab so you can monitor the jacks as they lower into position.

Portable power is provided by the 8,000–or 10,000-watt Cummins Onan® Quiet Diesel™ generator. It includes the automatic generator start system that starts the generator based on a preset indoor temperature or time of your choosing to run your TrueAir Maximum Comfort A/C or charge your batteries.

---

**Entertainment Center**
Choose the available exterior entertainment center with a 32” LCD TV and DVD player to enjoy movies under the awning.

---

**Service Tray**
The available storage tray slides out both sides of the coach for easy access to stored items.

---

**Rearview Mirror**
Extra large mirrors provide a great view of the road behind you and include built-in turn signals.

---

**OnePlace**
Everything in its place. This systems center lets you monitor and control key systems from one convenient location.

---

**Service Center**
Color-coded labels make for easy hookups in the convenient service center.

---

**Set Your Coordinates to Maximum Comfort**

For years, TrueAir set the standard in RV air conditioning. This year, we’re raising the bar with the TrueAir Maximum Comfort A/C. It’s the best TrueAir system yet, employing next-generation technology to provide unparalleled climate control and comfort:

- Three high-efficiency, low-profile roof-mount cooling units deliver unsurpassed cooling power
- D-shaped formed ductwork optimizes airflow
- Dual-zone thermostat offers precision cooling
- Infinitely adjustable ceiling vents provide finite control

For complete details on the new TrueAir Maximum Comfort A/C, visit the key features section at [GoWinnebago.com](http://GoWinnebago.com).
Dimensions shown are for sleeping space only and may vary due to styling differences. Dashed lines denote overhead storage areas. Floorplans and specifications are also available online at GoWinnebago.com.

The perfect diesel pusher experience begins with a chassis designed like no other. Winnebago Industries engineers worked closely with Freightliner—the proven leader in diesel motor home chassis—to create the Maxum Chassis: a stronger, better performing chassis with a lower center of gravity for unsurpassed ride and handling.

To top it off, the Maxum Chassis offers up to 220 cubic feet of exterior storage so you can load up with everything you need for weeks on the road.

The secret is its revolutionary lowered-rail design combined with our exclusive SuperStructure® construction and SmartSpace philosophy that increases the cross-coach storage height for the most efficient use of space.

Superior ride, handling and performance along with unsurpassed storage—the Maxum Chassis is the defining standard in diesel pusher performance.

The Maxum Chassis is backed by a 3-year/50,000-mile limited warranty, including towing and roadside assistance and more than 400 North American service locations, 93 Freightliner RV Oasis locations and a 24/7 help line.

You can compare features. You can compare styles. But when it comes to quality construction, there is no comparison. Only motor homes manufactured by Winnebago Industries harness the legendary strength and durability of our SuperStructure construction process—a process we’ve been perfecting for more than 50 years.

SuperStructure means a solid framework, steel and aluminum substructures and components built in-house to our exacting standards. It means managing each detail to ensure the integrity and quality of every coach. It means barcoding parts to save time during service and running every coach through a gauntlet of tests, including a high-pressure water test, before it leaves the factory.

Where other manufacturers cut corners, SuperStructure ensures the features you can’t see are treated with the same care as the ones you can. When you buy a Winnebago motor home, you are getting a coach that is built for you—and built to last.

No Shortcuts – No Compromises

The crowned, one-piece fiberglass roof is backed by a 10-year limited parts-and-labor roof skin warranty. fiberglass offers superior strength and durability over less attractive rubber roofs found on so many competitive models that can streak and degrade over time.

Durable, lightweight Thermo-Panel® sidewalls combine fiberglass, high-density block-foam insulation and the inner wall surface with aluminum support structures.

Metal substructures secure cabinets and appliances to add safety and stability.

An electrodeposition coating helps protect critical steel components.
**MAXUM® FREIGHTLINER® CHASSIS**

### Lengths
- 34', 32'-10" GVWR (40BD, 40CD)
- 44', 42'-10" GVWR w/tag axle (42QD, 42AD)
- 40'-10" Cummins® turbo-charged ISL 8.9L diesel engine
- 450-hp Cummins 2010 EPA emissions-equipped turbo-charged ISL 8.9L diesel engine (fall 2010 production includes adjustable brake and accelerator pedals).

### Allison®
- 3000 MH 6-speed electronic transmission w/engine compression brake
- Information display center
- NeW® front and rear suspension
- 160-amp. alternator
- Air brakes w/ABS
- HW® automatic leveling jacks w/3-Position Controls
- Tow power package w/7-pin trailer wiring and I.P. wiring
- Trailer Hitch: 10,000-lb. drawbar/500-lb. maximum vertical tongue weight (40BD, 40CD)
- Trailer Hitch: 15,000-lb. drawbar/1,500-lb. maximum vertical tongue weight (42QD, 42AD)
- Stylized aluminum wheels

### CAB CONVENIENCES
- Cab Seats: armrests, lumbar support, multi-adjustable recline and side-way power pedestals
- Passenger seat footrest
- RV Radio/Rearview Monitor System: 6.5" LCD color touch screen, CD player w/remotes, weather band, iPod/iPhone input, rearview camera w/one-way audio and sideview camera system
- Tilt/telescoping SmartWheel™ steering wheel
- Cruise control
- Power door locks w/remote keyless entry
- Electric adjustable mirrors w/defrost and turn signal light in lower glass
- 12-volt powerpoints
- Powered stepwell cover
- Dual two-speed built-in defroster fans
- MCD American Duo solar/blackout roller shades; powered for windshield, manual for driver/passenger windows
- Chairsty/month battery power radio switch
- Dual map lights
- C.B. wire prep

### OPTIONAL EQUIPMENT

**OPTIONAL EQUIPMENT**

- GPS navigation system
- SiriusXM® Satellite Radio: 6-month complimentary subscription and iPod interface connector
- Heated seats
- Heated, queen passenger seat

**INTERIOR**

- 40" LCD HDTV
- Home Theater Sound System: CD/DVD player, receiver, amplifier, 5 speakers and subwoofer
- Amplified digital TV antenna
- Area rug (lounge area 40BD, 42QD and rear bathroom 40CD, 42QD)
- Key-activated slideroom master lock switch
- HD video selection system
- Satellite system ready (front and bedroom)
- OnePlace® systems center
- Tinted, dual-glazed, thermo-insulated coach windows
- Vinyl ceiling
- Dimmer switch
- Powered roof vent (galley and bath)
- Mini blinds (bath 42QD, 42QD, 42AD)
- MCD American Duo solar/blackout roller shades (lounge, dinette, bedroom)

**OPTIONAL EQUIPMENT**

- Dirt Devil® central vacuum cleaner w/Vac. pan
- Stackable washer/dryer
- King-Dome® in-motion satellite dish, dual LNBF, HD-ready (front and bedroom)
- King-Dome automatic satellite dish antenna, HD-ready (front and bedroom)
- Powered digital antenna
- Electric fireplace (40BD, 42QD, 42AD)
- "Your HD"-compatible satellite TV receiver

### GALLEY

- Corian® countertops, backsplash and sink covers
- 4-door refrigerator/freezer w/icemaker
- Stainless steel microwave/convection oven w/sensor cook and vented range fan
- 3-burner range top w/glass cover and storage below
- Filtered cold-water faucet
- Soap dispenser

**OPTIONAL EQUIPMENT**

- Stainless steel Maytag® refrigerator w/french doors, freezer drawer, water and ice dispenser (includes 2,800-watt inverter and 2 additional 12-volt coach batteries)
- Stainless steel drawer-style dishwasher
- Stainless steel microwave/speedcook oven w/exterior vented range fan

### BATH

- Corian countertop
- Flexible showerhead
- Moen® Posi-Temp® shower valve
- Textured glass shower door
- Skylight
- Soap dispenser
- Porcelain toilet

### BEDROOM

- 32" LCD HDTV
- Stereo System: AM/FM, CD/DVD, alarm clock, iPod/MP3 input, headphone jack, speakers (2)
- Ceiling fan
- Queen bed w/innerspring mattress (40BD)
- Powered king bed w/Ideal Rest® digital comfort control mattress and remote controls (40CD, 42QD, 42AD)
- Bedspread, pillows and shams
- Hamper

### OPTIONAL EQUIPMENT

- Queen or king bed w/Ideal Rest digital comfort control mattress (40BD)
- Powered queen bed w/Ideal Rest digital comfort control mattress (40BD)

### EXTERIOR

- Auxiliary docking lamps
- Driver’s side service light
- Powered acrylic patio awning w/wind sensor
- Powered acrylic entry awning
- Acrylic window awnings
- Storage compartments w/movable panels
- KeyOne™ lock system
- Lighted storage compartments
- Main entrance w/screen door
- 4 storage containers w/lids
- 7’ folding step ladder
- Porch and stepwell light
- Automatic entrance steps
- Rear ladder
- Lower front protective mask
- Double clear-coat exterior
- Rear mud flaps
- Stainless steel full-width rear mudguard

### OPTIONAL EQUIPMENT

- Entertainment Center: 32" LCD TV, AM/FM stereo, CD/DVD player w/remote, iPod/MP3 input w/iPod connector, TV jack, radio antenna, power outlets, speakers (2), subwoofer
- 90" slideout storage compartment tray w/5' table w/folding legs
- Portable refrigerator/freezer
- Polished stainless steel on lower valance doors and panels

### HEATING & COOLING SYSTEM

- TrueAir® Maximum Comfort A/C: three 33,500 BTU roof air conditioners w/heat pump and condensate pump
- Aqua-Hot® 450 hydronic dual-zone heating system w/continuous hot water

### ELECTRICAL SYSTEM W/QUICKPORT®

- Service Center: lighted, 120V AC power, cable input, power cord
- PowerLine® energy management system
- Auxiliary start circuit
- 50-amp. power cord
- 2,000-watt inverter/charger w/remote panel (2,800-watt w/refrigerator/upgrade)
- 8,000-watt Cummins Onan® Quiet Diesel™ generator (40BD, 40CD)
- 10,000-watt Cummins Onan Quiet Diesel® generator (42QD, 42AD)
- AC/DC electrical distribution system
- 4 maintenance-free AGM (Absorbed Glass Mat) sealed batteries (6 batteries w/optional french door refrigerator)
- Battery disconnect system (coach and chassis)
- Automatic dual-battery charge control
- Shoreline/generator automatic changeover switch
- Solar panel battery charger
- Chassis battery charger/maintainer
- Automatic generator start system

### OPTIONAL EQUIPMENT

- Power cord reel
- 10,000-watt Cummins Onan Quiet Diesel generator (40BD, 40CD)

### PLUMBING SYSTEM W/QUICKPORT® & QUICKCONNECT®

- Service Center: lighted, pressurized city water hook-up w/divertor fill, fresh water drain, drainage valves, exterior wash station

### w/pump switch, glove holder, black holding-tank flushing system, paper towel holder, portable satellite dish hookup, 20’ sewer hose, soap dispenser

### TrueLevel™ holding-tank monitoring system

- Winterization Package: water heater bypass valve and siphon hose
- Full coach water filtration system
- Permanent-mount LP tank w/gauge
- On-demand water pump
- Heated holding-tank compartment

### OPTIONAL EQUIPMENT

- Water supply hose w/reel

### SAFETY

- Seat belts
- Child tether seat anchor (40BD)
- LP, smoke and carbon monoxide detectors
- 10 BC fire extinguisher
- Ground fault interrupter
- Daytime running lamps
- Fog lamps
- High-mount brake lamps

### WARRANTY

- 12-month/15,000-mile basic warranty
- 36-month/36,000-mile limited warranty on structure
- 10-year limited parts-and-labor warranty on roof skin

1. The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.
2. Tour floors feature a wide-body design – over 96" in making your purchase decision, you should be aware that some states restrict access on some or all state roads to 96" in body width. Before making your purchase decision, you should confirm the road usage laws in the states of interest to you.
3. The lead capacity of your motor home is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motor home.
4. Capacities are based on measurements prior to tank installation. Height capacity variations can result due to installation applications.
5. Capacities shown are tank manufacturer’s listed water capacity (R.V.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.
6. Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and GUCW, as well as all trailer brakes. Please refer to your Operator’s Manual of your vehicle for further towing information.
7. See separate chassis warranty.
8. See your dealer for complete warranty information.
9. Not all items available in combination. See dealer for details.
Décor

Choose from three elegant fabric collections, and six cabinet finishes with satin nickel hardware to create the interior that suits your style.

Night Sky with Stucco UltraLeather™

Sterling with Putty UltraLeather

Cumberland with Wheatfields UltraLeather

Fabrics and carpets may change without notice or obligation.
Stylize your Tour with one of six exceptional full-body paint options.

- Carbon Bronze
- Copper Canyon
- Tungsten Beige
- Charming Gray
- Saddle
- Storm Gray
